In an effort to preserve the authenticity of our Cajun cuisine, we do use seasoning generously. If you are sensitive to spice, please advise your server.

For those customers who prefer more spice in their food, we have provided a can of our very own seasoning on your table.

**Food Allergy Notice:** Please inform your server of any food allergies you have prior to placing your order.

**Raw Shellfish Notice:** There may be a risk associated with consuming raw shellfish as in the case of raw protein products. If you suffer from chronic illness of the liver, stomach, or blood or have other immune disorders, you should eat these products fully cooked.
